Lexile Reflection Questions

**Directions:** Please read the questions below. Remember to restate the question. Before you begin writing, please spend at least 30 seconds THINKING about what you want to say. **Answer these questions in the paragraph that you write as you reflect on your growth.**

**Questions to answer:**

1. What is your new Lexile?
2. How many Lexile points did you grow or lose?
3. To what do you attribute this growth/loss? (In other words – what do you think caused it?)
4. How do you feel about your new score?
5. What reading actions will you take for third quarter? Use verbs (action words) to answer this question.

Indent and begin writing your paragraph on clean notebook paper.
